[illegible]

To find the distance between any two towns listed on the mileage chart, select the one that comes first in alphabetical order and follow down the vertical column of figures from this name until you reach the horizontal row of figures leading across to the other name. At this intersection you will find the approximate distance in miles between the two points, by the shortest or most practicable route, following numbered highways. Distances shown are between Central Business Districts. See yellow band on chart for example.

To find the distance between any two towns listed on the mileage chart, select the one that comes first in alphabetical order and follow down the vertical column of figures from this name until you reach the horizontal row of figures leading across to the other name. COPYRIGHT, MISSOURI STATE HIGHWAY COMMISSION

WELCOME, TRAVELERS:

Welcome to the highways of Missouri. There is much to do and see in our state. We are proud of the rich diversity of our landscape, from the rolling plains of the north to the scenic Ozarks of the south.

Swiftdstreams and placid lakes provide countless recreational opportunities for Missourians and visitors. Our deep historic heritage is symbolized throughout the state. From the majestic Gateway Arch in St. Louis to Kansas City and St. Joseph, which played an important role in pioneering the west. Whether you are driving for business or pleasure, we hope that you will have a safe and enjoyable trip.

This map of our highways system will guide you your destination. Do not hesitate to request assistance in your travels, for Missourians are friendly and glad to help. Please have a comfortable, safe and pleasant journey.

Sincerely,
Christy P. Benson
GOVERNOR
